### **IMPORTANT NOTE – PLEASE READ CAREFULLY**

- *This is a “land-only” tour. In recent years, tours to Israel have become increasingly difficult to operate, in large part because airlines have tightened their group reservation rules severely, and because they are unwilling to quote firm prices until tickets are issued. For that reason, this tour is “Land Only,” meaning that each group participant will be responsible for securing his/her own airline ticket.*
- *We recognize that this format may involve some inconvenience for some participants, but many group members in the past have scheduled their own flights with no problems. Most U. S. airlines (e.g., Delta, American, United) have overnight flights to Tel Aviv that arrive at approximately the same time. In addition, passengers who schedule their own flights typically save significantly over the group rate. John Witherspoon College is prepared to assist group members as needed with airline reservations. Gil Travel can also assist.*
- *Participants should schedule flights to arrive in Tel Aviv at Ben Gurion Airport mid-afternoon on Wednesday, January 10, 2018. The bus will meet the entire group at that time. Individual transfers cannot be provided.*
- *For complete information, and for help with scheduling, contact Mrs. Pam Rider at John Witherspoon College.*
