

Bachelor of Arts (B. A.) in Humanities

The program of study leading to the Bachelor of Arts Degree in Humanities is designed to prepare students for leadership in the church and the world by way of studies in the classical liberal arts, all interpreted through and integrated into a world and life view formed by biblical truth.

Students in the Bachelor of Arts program must complete a *Basileia* ("Kingdom") Mission (non-credit) for graduation, if they have not done so already in a diploma or associate degree program. Such projects might include missions trips, regular involvement in an approved ministry, internships, or participation in special evangelistic outreach efforts. Guidelines for completing the *Basileia* Mission requirement are available from the Registrar's Office.

Program Objectives

The purpose of the B. A. in Humanities is achieved by enabling students to:

1. Understand and critically engage the Western tradition from ancient to modern times in terms of its major ideas, images, stories, political movements, and artistic achievements.
2. Trace the unfolding of God's redemptive plan throughout history.
3. Employ in their own lives a strong grasp of classical Christian theology and worldview.
4. Form their minds, bodies, and tastes to love what is true, good, and beautiful in music, art, and athletics.
5. Discern the broader picture in different contexts of life in order to shape a goal-driven vision.
