PRESIDENT'S INTRODUCTION

"A NOBLE TREASON"

Thank you for the opportunity to introduce John Witherspoon College. In the pages that follow, you will read the remarkable story of John Witherspoon and the likewise remarkable story of this college that bears his name. As you read, I trust you will begin to see that John Witherspoon College takes more than a name from this "Forgotten Founding Father."

When John Witherspoon arrived at Princeton (then The College of New Jersey) in 1768, he stepped into a crisis. Enrollment down, donations down, facilities in disrepair. Worst of all, the founding vision of the institution—"to produce ornaments of the State as well as the Church"—lay almost in tatters. The curriculum excelled only in mediocrity, students lacked seriousness, and standards had grown lax, all at a critical moment in history, as a new nation struggled to be born. Witherspoon met the crisis with a simple strategy of high standards and hard work—and the rest, as they say, is history.

But this College does not bear the name of John Witherspoon because he saved Princeton, like a coach who turns a losing team into a champion. We bear his name because he had a vision far beyond his personal reputation, the fortunes of a great college, or even the success of her graduates. A Scot by birth, Witherspoon embraced the American cause single-mindedly. From his prolific pen flowed many of the new nation's formative documents, and from his beloved Princeton came many of America's most influential leaders. It "is safe to say," writes Jeffrey Morrison, "that no single educator in early America matched Witherspoon's record of making politicians and patriots."

GENERAL CATALOGUE

From our comfortable distance, we might easily miss the true greatness of Witherspoon's leadership. Like other patriots, Witherspoon was guilty of treason against the most powerful nation on earth. Witherspoon himself had a price on his head (another minister actually lost his life to a soldier who thought he had Witherspoon!). In his native Scotland and throughout the Empire, the British branded Witherspoon a "rebel" and "traitor" who inflamed the colonists with his preaching and his pen and who transformed Princeton into a "seminary of sedition." A high-ranking British officer called Witherspoon a "political firebrand" who "poisons the minds of his young students and through them the Continent." If this be treason, it is a noble treason indeed.

The world needs that kind of "noble treason" again—and such is the vision we take from our namesake. As Witherspoon did 250 years ago, we long to equip a new revolutionary generation and to send them out as salt and light into a culture of darkness and decay. John Witherspoon College aspires to be a new "seminary of statesmen," prepared to make a difference in the world for Christ and His Kingdom.

Welcome to John Witherspoon College. Thank you for considering JWC, praying for JWC, supporting JWC. For here in the incomparable Black Hills, the incomparable vision of John Witherspoon lives again!

C. Richard Wells
President

THE COLLEGE SEAL

The Seal is the official institutional symbol of John Witherspoon College. Rich with meaning, the Seal visually represents many of the College's foundational standards and aspirations.

The center of the Seal is a shield, symbolizing the faith of the church ("shield of faith," Eph. 6:16). On the front of the shield is a large red cross and an open Bible at its center, symbolizing the cross of Christ as revealed in the Christian Scriptures.

The *thistle* (upper right quadrant) bears a dual symbolism. Historically, it represents the Fall; but it also appears in the seal of the University of Edinburgh (the *alma mater* of John Witherspoon). The Hebrew letter *bet* (bottom right quadrant) is the first letter of the Bible and symbolizes the preeminence of God in all things, "In the beginning, God." The *torch* (bottom left quadrant) symbolizes the spread of the light of the gospel. Finally, the *lamp* (upper left quadrant) is an ancient symbol of learning.

The year 2004 marks the inaugural year of Black Hills Biblical Institute (BHBI), the parent institution of John Witherspoon College. The Latin phrase, "*Fides Quaerens Intellectum*" ("Faith Seeking Understanding"), was the life motto of famed theologian and philosopher, Anselm, Archbishop of Canterbury (d. 1109), who insisted, "unless I first believe, I shall not understand."

FOUNDATIONAL STANDARDS

STATEMENT OF FAITH

The following *Statement of Faith* is a summary of Christian teachings that shape the theological orientation of John Witherspoon College. It is annually signed by the Board of Trustees, the President, and all faculty and staff of the College.

The Scriptures

The Bible is God's word given by divine inspiration, the record of God's revelation of Himself to humanity. It is trustworthy, sufficient, without error—the supreme authority and guide for all doctrine and conduct. It is the truth by which God brings persons into a saving relationship with Himself and leads them to Christian maturity.

God

There is but one God, the Maker, Preserver, and Ruler of all things, having in and of Himself all perfections, being infinite in them all; and to Him all creatures owe the highest love, reverence and obedience. He exists eternally in three persons: Father, Son, and Holy Spirit, each with distinct personal attributes, but without division of nature, essence, or being. God ordains or permits all things that come to pass, and perpetually upholds, directs, and governs all creatures and all events; yet so as not to destroy the free will and responsibility of intelligent creatures.

Humanity

God originally created man in His image, and free from sin; but through the temptation of Satan, humankind transgressed the command of God, and fell from their original righteousness, whereby all humans have inherited a sinful nature that is opposed to God, and are thus under condemnation. As soon as they are capable of moral action, they become actual transgressors.

FOUNDATIONAL STANDARDS

Jesus Christ

The second person of the Trinity is the eternal Son of God. In his incarnation Jesus Christ was conceived by the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself human nature, yet without sin. He honored the divine law by His personal obedience, and by His substitutionary death on the cross He made provision for our redemption from sin. He was buried and rose again the third day, and ascended to His Father, at whose right hand He lives to make intercession for His people. He is the only Mediator, the Prophet, Priest and King of the Church, and Sovereign of the universe.

Holy Spirit

The Holy Spirit is the Spirit of God, fully divine, who exalts Jesus Christ. The Spirit convicts men and women of sin, of righteousness, and judgment, enabling them to understand the truth. He calls men and women to the Savior, and brings about regeneration, which is a renewal of heart and nature.

Salvation

Salvation involves the redemption of the whole person, and is offered freely to all who believe in Jesus Christ as Lord and Savior; accepting and trusting in Him alone for justification and eternal life. Justification is God's gracious declaration of righteousness of sinners, who believe in Christ, from all sin, through the satisfaction that Christ has made. Believers are also sanctified by God's Word and Spirit dwelling in them. Sanctification is the process of progressing toward moral and spiritual maturity, enabled by the presence and power of the Holy Spirit. Those who are accepted in Christ and sanctified by the Holy Spirit will never totally nor finally fall away from the state of grace, but shall persevere to the end, and be kept by the power of God through faith unto salvation.

The Church

The Lord Jesus Christ is the Head of the Church, which is composed of all true followers of Christ, and in Him is invested supremely all power for its government. Christians are to associate themselves with local churches;

GENERAL CATALOGUE

and to each church is given the authority to administer order, to carry out ministry, to worship, and to practice discipline.

Last Things

The bodies of humans after death return to dust, but their spirits return immediately to God—the righteous to rest with Him; the wicked to be reserved under darkness to the judgment. God, in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth. At the last day, the bodies of all the dead, both just and unjust, will be raised. God has appointed a day when He will judge the world by Jesus Christ, when all people shall receive according to their deeds; the wicked shall go into everlasting punishment and the righteous into everlasting life.

MISSION AND PURPOSE

The *purpose* of John Witherspoon College is to glorify God as the beginning and end of all knowledge. The *mission* of John Witherspoon College is to build a community of Christ-centered, classics-based education for service to the church and the world.

OBJECTIVES

The specific goals that flow out of our purpose and mission can be summarized in five institutional objectives. These objectives are the basis for self-assessment and ensure that the College is, indeed, fulfilling its stated purpose and mission:

1. Cultivate a Christ-centered education community.
2. Teach a Bible-anchored, classics-based curriculum that fosters critical thinking and cultural responsibility.
3. Promote academic excellence marked by personal piety.
4. Equip students to make an eternal difference for God's kingdom as servant leaders.

FOUNDATIONAL STANDARDS

5. Make JWC a college of choice for the Black Hills and Upper Midwest region.

PHILOSOPHY OF EDUCATION

Curriculum Design

Students at JWC build knowledge systematically on a solid foundation rather than getting information piecemeal through disconnected courses. It is our conviction that some courses are more important than others, and that there is an effective ordering and logic to the process of effective learning.

Deep Learning

Our students delve deeply into liberal arts core disciplines rather than skimming through broad surveys of factual information. Attention is given to primary sources, so students do not just read *about* great authors and books; they *read* great authors and books.

Disciplined Discernment

In a world that tends to homogenize ideas, students at JWC learn to discern the distinctions between true and false, good and evil, right and wrong, eternal and temporal, in order to equip them to be salt and light in a dark and decaying culture.

See God's Truth

Augustine urged: "Let every good and true Christian understand that wherever truth may be found, it belongs to his Master." Building upon this bedrock principle that *all truth is God's truth*, our students learn to see how all truth—from arithmetic to zoology—declares the glory of God.

The "Liberating Arts"

In the truest sense, the "liberal arts" are liberating. Through a disciplined study in the liberating arts, our students learn how to deal effectively with the "Information Age" and its paralyzing information overload. Students seek genuine wisdom over mere knowledge, the worthwhile over the

GENERAL CATALOGUE

waste of time, the true and the beautiful over images and hype. The words of Paul give us direction: “Finally, brothers, whatever is true, whatever is honorable, whatever is just, whatever is pure, whatever is lovely, whatever is commendable, if there is any excellence, if there is anything worthy of praise, think about these things” (Philippians 4:8; ESV).

CORE VALUES AND STANDARDS

Bible-anchored

As an institution, we believe that God is the beginning and end of all knowledge. Since He is the Creator of all things, there is no true knowledge apart from Him. Thus we believe that God’s revelation in Scripture is the only inerrant, infallible, authoritative basis for education. The Word of God instructs, motivates, guides, corrects, enables, and illumines in all areas of knowledge, understanding, and experience, and JWC is committed to help students know, practice, and communicate biblical truth.

Christ-centered

As an institution, we believe that the Lordship of Christ extends to every part of life without exception. The redemptive work of Christ enables us to understand the true nature of the human condition. The life and ministry of Christ sets the example, par excellence, of servant leadership. The power of Christ proclaimed in the gospel is the power to transform lives and cultures. The Spirit of Christ in lived communities makes genuine unity possible. The Body of Christ in fellowship with Him subverts the powers of darkness and by the Spirit extends His righteous reign. As a “Christ-centered” ministry, JWC seeks to magnify the Lordship of Christ in all things.

People-focused

As an institution, we believe that Christ-like relationships with God, family, church, the community, and the world are essential to discipleship. Christian education must cultivate salt-and-light influence in every aspect of a student’s life, as well as in the lives of faculty, staff, and

FOUNDATIONAL STANDARDS

constituents. JWC will seek to be a community of learning and of love, not simply a delivery system for bodies of information.

Kingdom-driven

God is the beginning and the end of all knowledge, so the ultimate motive for scholarship must be to know and love God and to serve His Kingdom purposes. For that reason, we believe that every Christian is called “to walk in a manner worthy of God” (1 Thess 2:12). Among other things, that calling implies an obligation to strive for excellence in every area that honors God in tangible ways: “whatever you do, do all to the glory of God” (1 Cor 10:33). We aspire to develop Kingdom leaders who can discern, model, and articulate God’s vision for redemption in Christ, in their particular and varied spheres of vocational responsibility. We also believe that ministry is the calling of every follower of Christ, and that preparation for ministry leadership calls for commitment to that calling, for cultural sensitivity, doctrinal integrity, blameless moral conduct, disciplined study, and hard work.

STANDARDS OF CONDUCT

An Edifying Environment

Every student deserves a nurturing and supportive environment in the classroom and on campus. As fellow members of the body of Christ, faculty, staff, administrators, and students are expected to seek to edify one another in accordance with Scriptural injunctions such as Galatians 6:1-2 and 1 Thess. 5:11-15. Harassment in any form will not be tolerated. Victims of harassment should consult appropriate handbooks for reporting guidelines.

Guidelines on what constitutes sexual harassment are available at: https://www.eeoc.gov/laws/types/sexual_harassment.cfm.

Facilities, Dress, and Grooming

In keeping with the biblical truth that God created human beings as male and female (Gen. 1:27), the College expects faculty, staff, administrators,

and students to use the restrooms, locker rooms, and changing facilities conforming with their biological sex at birth. Additionally, dress and grooming standards should be consistent with their biological sex. Clothing must not contain any language or symbols that are racist, mean-spirited, bigoted, or sexually suggestive.

Sexual Conduct

In keeping with the biblical truth that God created marriage as the union of one man and one woman and that sexual activity is reserved exclusively for that union (Gen. 2:18, 24, 25), unmarried faculty, staff, administrators, and students are expected to abstain from all sexual relationships. The college will not employ persons or admit students who are married to more than one person or to an individual of the same biological sex and will take steps to dismiss those who enter, or plan to enter, into a same-sex marriage.

Use of Alcohol

As in all things, all persons associated with the College are expected to follow scriptural teaching regarding the use of alcohol. Personnel are expected to obey scriptural injunctions (Rom. 13:13, 1 Cor. 5:11 and 6:10 and Eph. 5:18, e.g.) against drunkenness.

While Scripture does not forbid consumption of alcohol, it does teach that believers should avoid eating certain foods or drinking alcohol if it offends a brother or causes him to stumble (Rom. 14:21). Therefore, while the College does not forbid the consumption of alcohol in moderation, it does require that such consumption be done in one's home and *never* in the presence of students or individuals who are offended by the practice. Additionally, alcohol should never be brought on campus or consumed at any official JWC function (including student activities).

Use of Tobacco

Although Scripture does not specifically address the use of tobacco, it does offer general guidance that individuals are to treat their bodies with respect as made in the image of God and as temples of the Holy Spirit. (Gen. 1:27, 1 Cor. 6:19). The College does not condone smoking (to include

FOUNDATIONAL STANDARDS

e-cigarettes) or the use of tobacco products. All College facilities and properties are designated smoke-free and tobacco-free. Smoking (including e-cigarettes) and tobacco in any form are prohibited on the property of the College.

ADMISSIONS

VISITING THE COLLEGE

John Witherspoon College cordially invites prospective students, families, and friends to visit the campus. Open-house events (or “Preview Days”) are generally held at least three times per year (Spring, Summer, Fall) and serve as an opportunity to visit the campus, meet professors, sit in on classes, and learn more about the College. Private visits can also be arranged by appointment.

ADMISSIONS CRITERIA AND APPLICATION PROCESS

John Witherspoon College seeks students who confess Jesus Christ as Lord and who desire to make all learning and all of life captive to Christ. As a classical Christian college, JWC looks for students who are eager to immerse themselves in theology, philosophy, history, classical languages, rhetoric, science, literature, music, and the arts.

Admission to John Witherspoon College is determined by the Admissions and Scholarship Committee. The Committee reviews and evaluates each application as a whole, in terms of academic ability, personal maturity, spiritual discipline, social skills, work ethic, and motivation. Academic preparation is important, but it constitutes only one factor in student success. Accordingly, JWC admits students whose academic record may be marginal if they demonstrate a passion for the Witherspoon vision of classical education and a commitment to working hard.

Because John Witherspoon is a community of Christian scholars seeking to cultivate lives of truth, beauty, and goodness, the Committee looks especially for students who will be good colleagues, who desire to learn wisdom with all humility and who want to live as responsible, mature members of a close-knit community.

OTHER CATEGORIES OF ADMISSION

New Beginning Program

The New Beginning Program is designed to assist current and former inmates of juvenile detention centers and jails to turn away from past habits and practices that led to their incarceration so that they can become law-abiding citizens and productive members of society. It reflects the promise of God in 2 Cor. 5:17: "Therefore, if anyone is in Christ he is a new creation; old things have passed away; behold, all things have become new." The program provides up to twelve (12) hours of college credit at no charge to eligible individuals who have a high school diploma or GED and who remain fully compliant with all disciplinary requirements of their incarcerating institution (or, if previously released, all applicable terms of probation/parole), with the *JWC Student Handbook*, and with local, state, and Federal laws. Upon completion of the New Beginning Program,

students are eligible to apply to JWC under the same terms and conditions as other applicants.

Provisional Students

Applicants who do not have immediate access to official documents in order to be fully admitted may be admitted as Provisional students. The conditions of Provisional status will be specified in the student's official letter of acceptance. A student may normally remain on Provisional status only for one semester and a subsequent short term. It is the student's responsibility to submit all materials needed to complete the admissions process. A personal conference with the Director of Admissions and/or the Admissions and Scholarship Committee may be required before a student is accepted for admission on a Provisional basis.

Any credit taken while in Provisional status will not be transferred as regular matriculated credit until the status has been officially changed. The student will be bound by all general academic requirements of the College. All work completed or attempted will be documented on the academic record.

Non-Degree Seeking (Part-time, Visiting) Students

Students are welcome to take courses for special interest or as a "visiting student". Classes may be taken for credit or audit on a space available basis (preference is given to full-time, degree-seeking students). Students must meet all requirements for admission to change from Non-Degree Seeking to Degree Seeking status.

Bachelor of Science (B. S.) in Organizational Leadership

The program of study leading to the Bachelor of Science in Organizational Leadership is designed as a degree completion program to prepare students for leadership in the church and the world by way of studies in the classical liberal arts, all interpreted through and integrated into a world and life view formed by biblical truth.

Students in the Bachelor of Science in Organizational Leadership program must complete a *Basileia* (“Kingdom”) Mission (non-credit) for graduation, if they have not done so already in a diploma or associate degree program. Such projects might include missions trips, regular involvement in an approved ministry, internships, or participation in special evangelistic outreach efforts. Guidelines for completing the *Basileia* Mission requirement are available from the Registrar’s Office.

Program Objectives

The purpose of the B. S. in Leadership is achieved by enabling students to:

1. Understand the components of effective leadership.
2. Demonstrate the ability to effectively lead others in small groups and Christian service projects.
3. Begin practicing the leadership skills needed to advance beyond small-group leadership to leadership at mid-range and strategic levels.
4. Comprehend the dynamics of leadership at different organizational levels and in different environments (secular and religious, public and private sector, etc.)
5. Think critically about how to mitigate problems caused by ineffective leadership at various organizational levels.

ACADEMIC POLICIES

DISTANCE EDUCATION

John Witherspoon College is firmly committed to a model of classical and Christian education that values real-time student-professor interaction. Teaching and learning at John Witherspoon are inextricably linked to close faculty-student relationships, local Christian culture, and the Rapid City community. Therefore, while many courses include online or media components, almost all of JWC's courses require students physically to attend the main campus or one of the distance-learning teaching-sites. A limited number of online courses may be available to serve special needs. (Students will be notified by the Registrar of the maximum academic credit which can be earned at the teaching site and options for earning remaining needed credit.)

CREDIT-HOURS AND WORKLOAD EXPECTATIONS

U. S. Federal Government defines a credit-hour as follows:

Except as provided in 34 CFR 668.8(k) and (l), a credit hour is an amount of work represented in intended learning outcomes and verified by evidence of student achievement that is an institutionally established equivalency that reasonably approximates not less than – (1) One hour of classroom or direct faculty instruction and a minimum of two hours of out of class student work each week for approximately fifteen weeks for one semester or trimester hour of credit, or ten to twelve weeks for one quarter hour of credit, or the equivalent amount of work over a different amount of time; or (2) At least an equivalent amount of work as required in paragraph (1) of this definition for other academic activities as established by the institution including laboratory work, internships, practica, studio work, and other academic work leading to the award of credit hours.

A class hour at JWC consists of a 50 minute meeting (giving 10 minutes to change classes). JWC offers courses in different formats, from hour-long

ACADEMIC POLICIES

classes to block classes, with expectations for significant study outside of class meetings.

TRANSFER CREDIT

John Witherspoon reserves the right to evaluate a student's proficiency, knowledge, or skills gained from transfer courses prior to accepting them for transfer.

Generally, credit courses will be accepted from regionally or nationally accredited colleges if they parallel courses offered by John Witherspoon. The minimum grade for acceptance of any transfer credit is "C." No more than fifteen (15) semester hours will be accepted toward a degree at John Witherspoon College from colleges not nationally or regionally accredited. Grades of courses from other institutions do not transfer.

Upon admission of a transfer student to John Witherspoon, the Admissions and Scholarship Committee together with the Registrar will evaluate transcripts of all previous college-level coursework to determine the applicability of any transfer credits to the student's program of study at John Witherspoon. A student has the right to appeal the Registrar's decision to the Chief Academic Officer (CAO). All course equivalencies, transfer credits, and academic conditions are recorded on the student's permanent record after matriculation. Transfer courses and credits are not used to determine a student's academic standing or GPA at John Witherspoon.

GENERAL CATALOGUE

CLEP TESTING

Because of its educational vision, John Witherspoon courses are distinctive in content, form, and pedagogy. For that reason, JWC restricts course credit through examination.

However, the College accepts CLEP testing for a limited number of JWC courses (listed below), providing that (a) The student achieves a minimum score of 60; and that (b) The appropriate Program Director approves. Final decisions on JWC course credit through examination are made by the Vice President of Academic Affairs.

No more than eighteen (18) credits may be transferred from CLEP examinations, and no more than twelve (12) elective credits.

CLEP Test	JWC Parallel/Substitute
Principles of Microeconomics and Principles of Macroeconomics	ECO 201 (3 credits)
Intermediate or College Algebra	MAT 101/102 (3 credits)
All other CLEP tests	Electives (up to twelve credits)

ADVANCED PLACEMENT

John Witherspoon grants advanced placement only under rare circumstances. Those wishing consideration must petition the Registrar for approval in writing.

REGISTRATION AND ENROLLMENT

Maximum Duration of Matriculation and Expiration of Credit

Matriculating students must complete degree requirements within seven (7) years of initial matriculation. After seven years, such students may become subject to the degree/diploma requirements that are then current. As a rule, students may not apply coursework completed more than ten (10) years earlier toward degree or diploma requirements. Any exceptions

ACADEMIC POLICIES

must be requested in writing and approved by the Chief Academic Officer.

Limitation of Credits Earned Prior to Matriculation

Matriculating students who had previously completed John Witherspoon coursework as a non-matriculating student may apply no more than sixteen (16) such credits toward their degree requirements.

Residency Requirements for Degree Completion

No less than twenty-five percent (25%) of coursework required for the diploma, the associate's degree, or the bachelor's degree must be completed in residence at John Witherspoon College.

Student Registration and Enrollment Status

Students are responsible for registering themselves for courses each term they are enrolled at the College. Prior to each term, the Registrar will announce the period of open registration, at which time students will be able to register for courses by downloading and completing the registration form on the College website. Students should meet with their advisors for help with academic planning.

Students are considered enrolled in a course when they are registered. A student has *full-time status* at John Witherspoon when enrolled for at least twelve (12) hours in a long semester or three (3) hours in a Winter or Summer Term. Otherwise, a student has *part-time status*. Students are considered *matriculating* only if they have been admitted to full degree seeking status and are currently pursuing a diploma or degree at the College. Credits will be applied only for students who are matriculating. Matriculating status is normally granted upon regular admission to the College. Students are considered *non-matriculating* if they have been admitted provisionally or are enrolled as a Non-Degree Seeking student.

Lapsed Enrollment

Matriculating students who have not enrolled for credit for two consecutive terms are subject to automatic discontinuation from their

GENERAL CATALOGUE

diploma/degree program. Discontinued students must reapply for admission to the College.

WITHDRAWAL

A student withdrawing from school, dropping all courses from a current semester or term, must complete a Withdrawal Form. Students will be allowed to withdraw through eleven (11) weeks, or its term equivalent, and will receive notation on their permanent record. Voluntary withdrawal does not guarantee readmission to the College, nor does it automatically exclude the student from enrollment at a future date. Students who have withdrawn must check with the Office of Admissions regarding reenrollment.

A former John Witherspoon College student having less than a 2.0 cumulative GPA from the College or less than a 2.0 cumulative GPA from all institutions attended will be considered for readmission by the Admissions and Scholarship Committee. The student may be denied admission, readmitted with conditions, or readmitted under their prior academic standing at John Witherspoon College.

COURSES AND CLASSES

Extra Course Loads

Students wishing to enroll in a fifth course in a semester (a sixth course if taking the practicum) may do so only if they have earned a combined GPA of 3.0 or better in the previous semester or if they have received written permission from their academic advisor or the Chief Academic Officer.

Late Registration

To add a course, either to audit or enroll, after the published registration deadline, the student must submit a completed *Drop/Add* form to the Registrar along with a \$25.00 fee. Late enrollment is subject to space availability. No student may add a course after the Friday of the second week into a term.

ACADEMIC POLICIES

Auditing Courses

Students may audit courses for personal enrichment. Registration must occur during the published period. Auditing students are charged \$125 per credit hour plus any applicable course fees. Full-time JWC faculty and their spouses and full-time students and their spouses may audit courses without charge, provided space is available and the instructor approves the audit request. Part-time faculty, part-time staff, and full-time staff and their spouses may audit courses by paying \$10 per credit hour plus applicable student fees. Audited courses do not apply toward a degree but will appear on the transcript without assignment of grade. The auditor may participate in the course as minimally or as fully as he/she chooses with permission of the instructor. A student auditing a course may process drop/add forms to earn credit in the class no later than the “Last Day to Add” for the semester/term. A student enrolled in a course for credit may change to audit during the period allowed to drop a class. Deadlines are noted in the academic calendars for each semester published in the *Catalogue*.

Schedule Changes

After registration, a student may change his/her schedule by submitting proper forms to the Registrar. A fee of \$10.00 will be charged for adding or dropping a course after the start of classes. Exceptions will be made by the Registrar in instances beyond a student’s control. See the College Calendar for the last date for changes in schedules.

Changing Course Sections

In order to change course sections after the published registration deadline, a student must submit a completed *Drop/Add* form to the Registrar, along with the required \$10.00 fee. Section changes require the instructor’s approval and may be denied for administrative reasons.

Dropping Classes

A student may drop a course without academic penalty after the period allowed only under circumstances of serious illness, in which case a physician’s certificate must be submitted and approved by the Registrar.

GENERAL CATALOGUE

Additionally, the Registrar may approve a waiver to policy for other circumstances beyond the student's control. In these cases, students may receive a grade of Incomplete (I) and the opportunity to make up missed work for a grade. (See "Grades and Quality Points" below for further details.) A student who discontinue class attendance without permission of the Registrar to drop will receive an "F" in that course.

Concurrent Enrollment

Enrollment in another college or university concurrent with John Witherspoon College enrollment must be approved in advance and in writing by the Registrar.

Class Attendance

Regular attendance is expected of all students enrolled in all courses. Faculty members will determine the specific details for administering the attendance policy for their courses. Each faculty member will clarify the requirements for the course in the syllabus. All course syllabi are filed in the Office of the Dean. Each faculty member is to counsel with any student whenever absences are affecting the student's grade.

STUDENT PERFORMANCE

Academic Probation

The only acceptable level of work for graduation at John Witherspoon College is 2.0 or above. Those who fail to achieve that level will be placed on Academic Probation. If the student achieves a cumulative GPA of at least 2.0, Academic Probation status will be removed. If the student fails to achieve the 2.0 GPA, the status of Academic Probation lasts for two full semesters and the short term(s) that immediately follow.

While the student is on Academic Probation:

1. An official notice will be sent to the student.
2. The Academic Advisor will counsel the student individually toward GPA improvement.

ACADEMIC POLICIES

3. The Academic Advisor will monitor the student's progress during semesters when he/she is repeating courses in which D's and F's had been earned.
4. The academic load will be limited to not more than fourteen (14) hours.

If by the end of the two probationary semesters a cumulative GPA of 2.0 has not been attained, the student will be suspended from the College for one full semester. There is no appeal permitted for this suspension. The suspension will be a full semester; no combination of short terms will substitute. Credit earned at another institution while the student is suspended from JWC is not applicable toward a degree at John Witherspoon.

After serving the period of suspension, the student is eligible to return upon application for readmission. The student re-enters on academic probation and is again given two semesters with the short term(s) that follow to achieve the required cumulative 2.0 GPA. If the satisfactory standing is not achieved, the student will again be suspended from the College. After a full semester suspension, the student desiring to return will be required to reapply through the Admissions and Scholarship Committee.

Retake Policy to Improve GPA

Students who earn a grade of D or F in a course may request to retake the course in its entirety to improve their grade. (Note: As with all replacement grades, the original D grade will continue to be recorded on the student's permanent academic transcript but not calculated in the student's GPA). Students wishing to replace a D grade with a grade higher than a C, or students who wish to replace a grade of F earned in a course, may do so only by re-taking the original course in its entirety. Students must request to enroll in the make-up course before the end of the first week of the term following the one in which the D or F grade was earned, filing the Course Make-up Request Form (available from the Registrar or online). The completed form must include the signatures of the relevant

instructor and academic advisor. Each make-up course carries a minimum fee of \$100 that is not included in the student's regular tuition.

Academic Integrity

John Witherspoon College expects high standards of integrity from all students. By enrollment at John Witherspoon College, students agree to refrain from the use of unauthorized aids during testing (including, but not limited to, devices such as digital cameras, cell phone cameras, pen-based scanners, translation programs, and text-messaging devices), to refuse to give or receive information about examinations, and to submit only work that is the result of their own efforts and research.

Plagiarism is a serious offense that compromises academic integrity. The *MLA Handbook* defines plagiarism as: "A writer who fails to give appropriate acknowledgement when repeating another's wording or particularly apt term, paraphrasing another's argument, or presenting another's line of thinking is guilty of plagiarism." Breaches of these standards warrant academic and disciplinary consequences. Policies and procedures, including appeal procedures, are found in the *Student Handbook*.

Readmission Policy

Students who have been expelled from John Witherspoon for academic reasons or for violating college policies may apply for readmission within two years of the date of dismissal by petitioning the Admissions and Scholarship Committee in writing. A student seeking readmission *after* two years from the date of dismissal must complete the same full application process that prospective new students complete. For more information of the College's Readmission Policy, contact the Registrar.

ACADEMIC POLICIES

Grades

Both Progress Reports and Final Grades are reported by letter which may be interpreted in percentage figures:

- **A (93-100)** - For performance that is definitely superior in quality.
- **B (86-92)** - For consistently good work that is above average.
- **C (78-85)** - For satisfactory performance.
- **D (70-77)** - For minimal passing.
- **F (69 and below)** - Indicates failure.
- **A, B, C, and D** are passing grades; **F** is failure.

Other grade reports:

- **N** - Given for audited courses.
- **I** - For incomplete work (when pre-approved by professor and/or registrar)⁴
- **IP (In Progress)** - Interim grade for courses extending into following semester
- **P** - Indicates a passing grade in a Pass/Fail course
- **FF** - Indicates a failing grade in a Pass/Fail course
- **W** - For withdrawal from a course after course drop deadline⁵

Quality Points

Quality points are used to calculate Grade Point Averages (GPA). The following are the grades with their corresponding quality credits:

- **A** - 4 quality points per hour of credit
- **B** - 3 quality points per hour of credit
- **C** - 2 quality points per hour of credit
- **D** - 1 quality point per hour of credit
- **F, FF, I, IP, N, X** - 0 quality points per hour

⁴ Incomplete work must be made up within the first five weeks of the Fall/Spring semester following issuance; otherwise, the course is graded to reflect the incomplete work.

⁵ Withdrawal may be granted by the Registrar if the student meets conditions as stated above under "Dropping Classes." A temporary grade of X is inserted to indicate no grade has been reported.

GENERAL CATALOGUE

To determine the Grade Point Average (GPA), the quality points earned are divided by the semester hours attempted. The grade of P (Pass) will not be included in the GPA, but the credit will be included in the hours for graduation.

Students are allowed to repeat courses to improve the grade and cumulative GPA. Repeat of D and F grades is strongly encouraged. The most recent grade earned is the grade calculated in the cumulative GPA and in consideration for graduation.

Transfer credits and credit-by-testing do not apply quality points to the institutional GPA and are not factored into current academic standing or into the graduation GPA. (*Note:* These grades may be considered, however, in the admission process for specific programs at John Witherspoon College, or by other subsequent transfer institutions.)

Academic Good Standing

Academic Good Standing is defined as the minimum acceptable cumulative GPA for graduation—2.0. Policies regarding students who fail to meet this standard are detailed above under “Scholastic Regulations.”

Academic Honors

To honor academic achievement, the College publishes an Honors List at the close of each regular academic term. To qualify for the Honors List, students must be enrolled full-time in a degree program and earn a GPA of 3.50 or better for the term.

Additionally, students who earn an average of 3.5 or above in courses taken at John Witherspoon College are graduated with Latin Honors as follows:

- 3.50-3.66 *Cum Laude*
- 3.67-3.83 *Magna Cum Laude*
- 3.84 and above *Summa Cum Laude*

To qualify for these honors, a student must complete at least thirty (30) hours at John Witherspoon College.

ACADEMIC POLICIES

GRADUATION

Graduation Requirements

Students may be graduated under the course requirements specified in the *Catalogue* of the year of admission or those at the time of their application for graduation. If five (5) years have elapsed since a student's latest enrollment in John Witherspoon College, he/she may elect to be graduated either under the course requirements of the *Catalogue* of his/her re-admission or those in force at the time of his/her application for graduation.

Application to Graduate

Students who are nearing completion of their studies must submit the Application to Graduate form to the Registrar by the posted deadline in order to participate in the May commencement. A graduation fee of \$50 must accompany the application. The Registrar will review the student's record and certify that he/she is on track to satisfy all requirements for graduation.

Recognition at Commencement

To be recognized at Commencement as a member of the graduating class, students must either (a) meet all graduation requirements, or (b) have no more than four credits remaining for graduation *and* be registered and paid for the remaining coursework prior to Commencement. Such payment is non-refundable.

GENERAL CATALOGUE

printer/copier/ scanner for student use. The cost for copied or printed pages is \$.10/page payable to library staff.

The Library has approximately 4,000 volumes with especially strong collections in theology and biblical studies. Cataloging is in progress. Catalogued holdings are visible from the “library” tab in Populi (<https://jwc.populiweb.com/library/catalog/index.php>). Library staff can provide assistance finding resources not yet catalogued. Email the Director of Learning Resources (dshattuck@jwc.edu) to schedule a visit with Library staff.

Access

Library hours are the regular office hours of Christ Church Office (1900 Evergreen Dr.), currently 9:00 a.m. to 4:00 p.m. Mon–Thurs, and 9:00 a.m. to 12:00 p.m. on Fridays. The DLR (dshattuck@jwc.edu) or course instructor can make arrangements for Library use at other times.

Policies

Students can self-check-out library materials with a sign-out sheet that must include student name, ID number, and check-out/due dates. The check-out sheet can be found near the door to the Library. Students may have no more than seven (7) resources checked-out at one time. Resources may be checked out for 14 days, then renewed for 7 days. Renewals need to be requested by email from the DLR.

The fine for late returns is \$.25 per resource per day. Fines can be avoided by renewing the loan. Fines may only be reduced or canceled for extenuating circumstances by the DLR. Unpaid fines may result in a hold on the student’s final grades and/or transcript. At the DLR’s discretion, a fee may be charged for damaged or lost books, up to the full price of the book. The college expects students to use the library’s physical and virtual resources according to principles of Christian stewardship.

TRANSACTIONS

Student Accounts

The registration of a student signifies an agreement by the student and his/her parents, if applicable, to fulfill all financial obligations to the end of the semester in which the student is registered. The College considers financial responsibility part of the process of Christlike growth and development, and thus every student will assume responsibility for his/her account. All financial information is subject to change without notice. Changes will be posted to the college web site.

Expenses, Due and Payable

All expenses for the semester, after subtraction of any financial aid, are due and payable before the beginning of classes for that semester. A 1.5% service charge will be assessed monthly on all outstanding student account balances.

Failure of a student to keep payments current will make him/her liable for exclusion from class attendance and from the College. STUDENT LIFE

THE BLACK HILLS

John Witherspoon College is located in Rapid City, South Dakota, among the beautiful Black Hills and within 25 miles of the historic Mount Rushmore National Monument. Families love the area's friendly attractions, history buffs are drawn to the rich culture and heritage of the region, and adventure seekers find a wide array of outdoor activities awaiting them, such as hunting, fishing, boating, hiking, disc golf, geocaching, biking, kayaking, lime-stone and granite rock-climbing, gold-panning, water and snow skiing, snowmobiling, and more. In addition to state and national parks, urban-dwellers will find over a dozen coffee shops in Rapid City and plenty to do at the Rushmore Civic Center Plaza, home to hockey games, theatre productions, banquets, symphonies and musical concerts, and much more. For more information on the Black Hills region, visit the following web sites: www.fs.usda.gov/wps or www.rcgov.org.

CHRISTIAN COMMUNITY

The Black Hills region is home to almost 200 churches representing a wide range of congregational size, denominational and theological identity, worship styles, and mission and ministry focus. John Witherspoon College strongly encourages students to serve in local churches.

JWC FACILITIES

Evans Hall (Main Campus)

John Witherspoon College's main campus, Evans Hall, is currently located at 4021 Range Road. The campus consists of a main building, Evans Hall, which currently houses administrative offices, two classrooms, the chapel and a kitchen/break area.

STUDENT LIFE

Christ Church Annex

John Witherspoon College also utilizes space in Christ Church (1900 Evergreen Drive). Facilities at the Annex include the College Library, student study area, and faculty offices.

Parking

Both the Main Campus and Christ Church facilities have ample on-site parking available. JWC students are not required to register their vehicles on campus.

Student Housing

John Witherspoon College encourages students to become members of the wider local community by living with local Christian families or with other Christian students. JWC does not maintain student residence facilities, and does not assume responsibility for providing student housing. Students are responsible for their own housing arrangements. However, the College maintains a list of housing opportunities for students who have been admitted and who have paid their Advance Deposits. We recommend contacting local churches and consulting web sites, local newspapers and other housing guides for the Black Hills to find housing opportunities.

The Director of Student Services (DSS) (e-mail: studentservices@jwc.edu) will assist students and their families in arranging contacts and providing information on quality housing opportunities for those having difficulty. The DSS will maintain information on local housing opportunities and resources for finding housing and can offer insights on the local area to families unfamiliar with the region.

Whether obtaining housing with private families, in apartments or rental homes, students are reminded that they represent Christ and the College to the community. In all things, students are expected to uphold the highest standards of integrity and excellence when dealing with host families/landlords. This includes paying rent on time, maintaining their

accommodations in good condition, and being polite, helpful, and respectful tenants/neighbors.

Campus Organizations

Students are allowed and encouraged to propose and assemble campus organizations or clubs. The Director of Student Services must approve all campus organizations.

Off-Campus Employment

Employment in and around Rapid City is readily available. However, since academic demands are high, the College recommends students limit off-campus employment to twenty (20) hours per week.

Grievances

Specific guidelines for student-initiated academic and personal grievances are provided in the JWC *Student Handbook*. The Vice President of Academic Affairs or Provost (as applicable) will maintain all required records of student-related grievances and will make these available to TRACS upon request. JWC will cooperate fully with TRACS in any complaint proceedings. These written grievance/complaint records are kept on file for at least five (5) years.
